Subject: Invitation for Turkish investors & business leaders to Bangladesh Investment Summit 2025

Dear President, السلام عليكم ورحمة الله وبركاته

Greetings from the Bangladesh Consulate General in Istanbul. I am happy to note that Bangladesh and Türkiye share a longstanding brotherly relationship built on mutual respect, cooperation, and shared economic interests and aspirations. It is also encouraging to see the upward trend of our bilateral trade and investment in recent years. As Bangladesh continues its remarkable transformation, we believe that deepening our economic ties with Türkiye will contribute to sustainable prosperity for both nations.

Bangladesh is uniquely positioned as an investment destination with unmatched macroeconomic fundamentals, globally competitive input factors, and one of the highest returns on profitability for investors. The current government led by Nobel Laurate Prof. Dr. Muhammad Yunus is driving forward-looking reforms in all key areas, including the investment climate to ensure the most favorable climate for the foreign investors.

To showcase this compelling business case, we are delighted to invite investors and business leaders from Türkiye to the 'Bangladesh Investment Summit - 2025' scheduled in Dhaka from April 7-10, 2025. The summit will bring together global leaders, investors, and policymakers to explore opportunities in priority sectors in Bangladesh. This landmark event will focus on:

- Showcasing Bangladesh's investment story and potentials in high-growth sectors.
- Facilitating direct engagement through industrial park visits, sector-specific breakouts, and networking
- Positioning Bangladesh as a future-ready investment destination, supported by progressive reforms.

The summit's core theme centers on advancing the 3 Zeros (Zero poverty, Zero unemployment, and Zero carbon emissions) aligning with a vision for sustainable and inclusive growth. We believe, this event will serve as a great opportunity for the investors from Türkiye and help strengthening trade and investment ties between Bangladesh and Türkiye. The event brochure and relevant materials along with the registration link is available at: https://summit.bida.gov.bd/registration.

I would deeply appreciate it if your esteemed organization disseminated the information of the Summit among the potential investors, business entities and business leaders, policy makers, trade bodies and other relevant stakeholders and encouraged them to participate in the event. The Consulate General would remain ready to extend all possible supports to the participants of the event from Türkiye.

Please accept, Mr. President, the assurances of my highest consideration

With best regards

Sincerely yours,

18.2.2025

(Muhammad Mizanur Rahman)
