CONSTRUCTION INDUSTRY AUTHORITY

Procurement Ref. No. CIA/RFP/03/24

01 November 2024

Attention: All Prospective Bidders

Dear Sir/Madam,

REQUEST FOR PROPOSALS FOR CONSULTANCY SERVICES FOR THE DEVELOPMENT OF A STRATEGY FOR PROMOTING AND IMPLEMENTING BUILDING INFORMATION MODELLING (BIM) IN MAURITIUS

Addendum No.4

Kindly refer to our Invitation for Bids dated **02 October 2024,** on the above subject.

Following a query received at this Office, the below-mentioned clarification is brought to the attention of potential bidders.

Query No. 1

The Terms of Reference (section 1.8.1 (a)) indicate that consultants must be registered with the CIDB before submitting a proposal, in line with the CIDB Act of 2008. We also note that the General Conditions attached to the registration certificate state the following:

> *Pursuant to section 20(1) of the CIDB Act, no foreign contractor shall carry out construction works unless it: (a) collaborates with a local contractor; and (b) is temporarily registered under the Act.*

Could you kindly confirm whether these registration requirements (collaboration with a local contractor and temporary registration) apply to this particular call for proposals, given that it focuses on BIM assistance and does not involve direct execution of construction work?

Reply No. 1

Bidders are informed that it is NOT MANDATORY for them to be registered with the Construction Industry Authority (CIA) for this project.

Bidders are also informed that the CIA's registration requirements, such as collaboration with a local contractor/local consultant and temporary registration, are NOT APPLICABLE.

Query No. 2

Could you please specify whether we should register as Foreign Contractors (Provisional Registration) or as Foreign Consultants (Temporary Registration) in order to respond to this proposal?

Reply No. 2

Foreign Bidders are informed that they are not required to be registered as Foreign Contractor/Foreign Consultant (Provisional Registration), or as Foreign Contractor/Foreign Consultant (Temporary Registration) when submitting proposals for this project.

Query No. 3

Is it necessary for bidders to be a construction company, or can we, as a foreign consulting firm, meet the registration conditions to respond to this call for proposals?

Reply No. 3

Bidders are informed that it is not necessary for them to be a construction company to respond to this Request for Proposals. Any legal entity, whether local or foreign, may submit proposals.
