International Congress Of Entrepreneurs

¡CONNECT, CREATE, UNDERTAKE!

Venezuela has shown remarkable momentum in the entrepreneurial ecosystem, ranking in the top 10 worldwide according to the Global Entrepreneurship Monitor (GEN). The Emprender Juntos program, as part of engine number 18 of the Economic Agenda, has been key to achieving this position, characterized by a high rate of the total early-stage entrepreneurial activity (TEA). This achievement not only positions Venezuela as a benchmark in the region, but also augurs a promising future of economic development.

That is why today the Emprender Juntos program has $1{,}700{,}000$ registered entrepreneurs; according to the aforementioned data, 64% of the new entrepreneurships are being led by women, while the other 36% are led by men.
